Smart Medical Series

○ Smart innovation   ○ Smart products
○ Create the future

| 2023 | Intelligent Control Product Catalog

ABOUT US

Skyworth Group was founded in 1988,
became list company in HK from 2000 with code: H00751.HK.
With Staff over 36000.
A globally competitive smart home appliance and information technology leader.
Four major industries: multimedia, smart appliances, smart system technology and modern services.
Main products include: smart TVs, intelligent control terminal products, refrigerators, washing machines, air conditioner purifiers, display devices, security monitoring systems, TV operating systems, etc.

Shenzhen Skyworth electronic appliance was founded in 2010,
with own R&D team and production plant.
Using mainstream SOC solutions such as Rockchip, MTK, and Spreadtrum,
focusing on smart education, smart medical, smart home and smart commercial display and other fields.
We are an integrated solution provider for intelligent control terminals,
Providing integrative services of research, production, supply and marketing.
We continue to enhance innovation ability of product and flexible customization ability.
We can provide customers with a full range of customized product solutions.
